Chief, Construction & Operations

Mr. Michael Fall
President
Unit Company
620 East Whitney Road
Anchorage, AK 99501

Dear Mr. ^{Mike} Michael Fall,

Congratulations! Your company has been nominated for a 2009 Corps of Engineers, Alaska District safety award for your work on FTG134, Missile Field #2 Site Development Phase III, and has been selected by the Alaska District Celebrate Safety Committee to be recognized as an award recipient at the 11th Annual Celebrate Safety Banquet, Friday, November 6, 2009 at the Dena'ina Civic and Convention Center in Anchorage. Your nomination is one of the finalists for Contractor of the Year, which will be announced at the banquet.

You and your project team are cordially invited to attend this banquet and be honored for your safety achievements.

The main focus of our Celebrate Safety event is to honor our contractors for their safety accomplishments on our projects. The Alaska District Celebrate Safety program recognizes the superior safety efforts being made by our contractors and their team. We believe this ultimately builds upon the partnering spirit to constantly improve safety trends.

This year the theme of the banquet is "Safety Is Our Mission!" Receiving this award shows you have embraced that theme and we look forward to your continued efforts in this important aspect of project execution.

Congratulations again and we are looking forward to seeing you and your project safety team at the November 6, 2009 Celebrate Safety Banquet and Awards Presentation!

Sincerely,

Patrick M. Coullahan, P.E.
Chief, Construction & Operations
Alaska District
