Dear Mr. Fall;

Your company's name has appeared on a design team and subcontractor list for one of our projects. On behalf of the City of Seward, I would like to thank you and your crew and staff for the conscientious and diligent work you performed on our Fort Raymond Substation Generation Plant project.

We are happy to have this project nearing completion and we appreciate your willingness to work with us in Seward. I would also like to express our thanks to your company and your subcontractors that built our long-term care facility, Seward Mountain Haven. It is quite an accomplishment to have that costly of a magnificent project and still keep it to budget. Please feel free to call me if you have any questions or comments. Thank you again.

Sincerely,

A handwritten signature in black ink, appearing to read "Willard E. Dunham".
